THE WESTERN
REVIEW

DRAYTON VALLEY, ALBERTA
WEDNESDAY, MARCH 3, 1971

Members of the Bill Keely rink of Edmonton are shown here receiving the Pembina Pipeline Trophy for winning the Grand Challenge event in last weekend's annual Drayton Valley Bonspiel. Howard Cathrea (L) makes the presentation to the rink members Bill Keely, Bob Hudson, Bill Brown and Gordon Dombrosky (left to right).

KEELY RINK WINS TOP PRIZE IN OPEN 'SPIEL

Bill Keely, a several-times winner here, came through Sunday evening to defeat the Swensen rink of Leduc and win the Grand Challenge event in the 14th annual Drayton Valley open bonspiel.

Sixty-four rinks, with 20 or 25 from out-of-town, took part in the successful event that got underway Wednesday and wound-up Sunday evening.

The event kicked off Wednesday afternoon with Mayor Lloyd MacLean throwing the first rock to Club President Bruce Boles. A donors' reception was also a feature of the first day.

Winners of the six events were as follows:

1st event -- 1st B. Keeley, Edmonton; 2nd G. Swensen, Leduc; 3rd G. Brewin, Edmonton; and 4th R. Anderson, Drayton Valley.

2nd event -- 1st D. Howarth, Drayton Valley; 2nd G. Hansen, Drayton Valley; 3rd Janzen's Auto Body, Drayton Valley; and 4th L. Nelson, Grande Prairie.

3rd event -- 1st N. Theuss, Edmonton; 2nd D Weisser, Rocky Mountain House; 3rd Western Const., Edmonton; and 4th H. Ganske Welding #1, Drayton Valley.

4th event -- 1st D. Redford, Fort Saskatchewan; 2nd, R. Scarlett, Drayton Valley; 3rd K. Gillis, Drayton Valley; and 4th H. Williamson, Edmonton.

5th event -- 1st K. MacRae, Edmonton; 2nd D. Boulter, Drayton Valley; 3rd B. Fiveland, Drayton Valley; and 4th A. Laurie, Warburg.

6th event -- 1st D. Gatu, Wildwood; 2nd T. Bouschard, Drayton Valley; 3rd Eskimo, Edmonton; and 4th S. Robinson, Jasper.

Winners of the Pembina Meter draw for a five-ender or better, was the Glen Hansen rink.

Pembina 4-H Members Win

The Alberta Youth Achievement Fair was held in Calgary last weekend in conjunction with the Calgary Bull Sale.

Among those receiving recognition for displays were three young people from the Evansburg area: Kenny Mazeppa and Allan Mazeppa of the Pembina 4-H Field Crops Club placed 8th and 9th respectively in the six-row feed barley section; Dawn Brown, also a member of the Pembina Field Crops Club placed 4th in the Project Book Class.

P.C.s TO MEET

The Drayton Valley Progressive Conservative Association will hold its annual meeting at 8:00 p.m. on Thursday, March 4th in the Drayton Valley Legion Hall.

Dr. Hugh Horner, M.L.A. for Lac Ste. Anne will be guest speaker.

Rebels Drop First Semi-Final Game

BY DOUG BARNES

As I said a couple columns ago if the Rebels skate they can win it all. Well, Saturday night they didn't skate. So they were beaten by a hustling hockey club, the Westlock Eagles. The Rebels skated for 10 minutes of the third period and almost won.

I wonder what would happen if they skated for 60 minutes. Let's hope they do this next weekend; Saturday night in Westlock and Sunday back home in the Centennial Centre at 1:30 p.m.

The Rebels started the scoring Saturday night at 3:04 of the first period with Jim Feeney's first goal of 2 for the game. Dan Davie also picked up 2. Henry Hodgson picked up a single. Four of the Rebels goals were scored in the third period. Final score was Rebels 5, Westlock 7.

I noticed that Westlock had quite a few loyal fans cheering them on Saturday, as we did in Camrose a couple weeks ago. It sure would be a help if the Rebels had this kind of moral support again Saturday night in Westlock.

The Burrows Motors Bantams also may be playing in Westlock Saturday night just before the Rebels play, in a provincial playoff game against Westlock Bantams. I'm not sure this is when the Bantams play but I was informed that this may be what will happen. I do know our local Bantams do play Westlock.

The Rebels provincial playoffs are still on again for Tuesday and Thursday night of this week against Rays Esso. I understand if they don't show Thuesday, they are suspended for one year.

Don't forget to get your Rebel Trailer Raffle Ticket early as there is a limited number to be sold. See you Saturday night in Westlock and Sunday back home.

Sorry, we haven't received the league statistics yet.

Warriors Lose Bid For Prov. Tourney

The Concordia College five from Edmonton turned back the Frank Maddock High School Warriors 40-24 on Saturday afternoon in St. Albert and then defeated the St. Albert club handily to win the North Central Alberta's "B" Boys Zone Championship and thus win their way to the Provincial Tournament to be held in Lethbridge the middle of March.

The difference in the Drayton Valley -- Concordia contest was the shooting from the floor as Concordia hit 30% and the local Warriors 17.5%. The Warriors put up 63 shots compared to Concordia 57 but as in the past had a difficult time hitting on the St. Albert Court.

Holding the Concordia five to 40 points should have been enough for victory and was a good defensive effort but 24 points will not win ball games.

Leading Concordia on the scoreboard were M. Olhe with 10 points, S. Stumpf with 9 and R. Willie with 8. For the Warriors Larry Wall with 11 points and an outstanding individual performance and Barry Swap with 8 were tops.

The Warrior coach is pleased with the teams effort over the past three weeks and feels that they held up well after loosing their two top guns at the end of the semester. This season marks the end of a Warrior era and a new one begins with new faces and personalities and numerous rookies next season.

The total number of sheep and lambs on farms in Alberta at December 1, 1970 is estimated at 195,000 an increase of 23 per cent from a year earlier.

Leduc Offers Free Land For Library Headquarters

The town of Leduc has offered to supply land free of charge for the new Yellowhead Regional Library headquarters.

Council has pointed out Leduc would be ideally located for the headquarters, with ready access to the International Airport for air freight and express and Canada customs services. Other points in the library district can be readily reached on paved highways leading from Leduc, it was stated.

The regional library system will see municipal libraries in the county of Leduc stocked and serviced by the regional headquarters. There are five county systems participating.

Mrs. Betty Howery of Spruce Grove, chairman of the regional library board said a committee has been set up to study possible headquarter sites.

They will compile information and present it to the board for a final decision. The next meeting of the board is March 19th.

The town of Leduc also has stated to the regional board that a large building may be available for temporary accomodation.

-- Leduc Representative

COUNCIL REVIEWS SEVERAL SOURCES WATER POTENTIAL

Major item on the agenda at last Thursday's regular meeting of Town Council was a review of the water study undertaken for the town by Underwood, McLellan and Associates, Consulting Engineers. Representatives of the firm were present for the meeting.

The study was authorized last summer to determine future water requirements; evaluate existing supplies; examine alternate supplies; and finally to recommend as to the feasibility of establishing an increased groundwater supply as opposed to developing other sources.

The present water supply from six wells is placed in jeopardy during summer hot spells and an immediate recommendation for a short-term solution was another well about 1200 feet north-west of the present No. 9 well in the West Valley Park area. Another source recommended for an immediate supply is in the north-east corner of town.

Two areas were recommended by the consulting firm as likely to provide future groundwater potential for a long-term solution to the problem. The areas are a granular bench located on the river flats near the Saskatchewan River bridge and in the Paskapoo formation in high land a few miles north-west of town.

The river bench is recommended as a first area of investigation by the firm in the belief that it represents the greater potential.

The river flats area, according to hydrologists, should contain a considerable depth of glacial till receiving a constant flow of water through the bedrock on a long slope from the Rocky Mountains as well as seepage from the river.

It was also suggested that the bench source would have a pipeline is place if the day should come when it is necessary to go to the river for a water supply.

Alternatives investigated by the firm in order of magnitude were: the North Saskatchewan River; the Pembina River, direct intake; the Pembina River, wells or infiltration; a well field on the

Association Begins Baseball Planning

The Drayton Valley Athletic Association will meet on Thursday, March 4th at 7:00 p.m. in the Recreation Office. One of the important items on the agenda will be the 1971 Minor Baseball program.

All interested persons should plan to attend as preliminary work on the baseball program must get underway very shortly. From early indications it would seem that we can expect keen interest in baseball this year.

The Association will also be renewing its other programs which have been operating successfully during the winter season

Entwistle H.S.A. Plans Speaker

The Entwistle Home and School invites all people interested to attend the next Home and School meeting at Entwistle School, March 10th at 8:00 p.m. Guest speaker will be Mr. McDowell, the director of Counselling Services for Parkland County. His topic will be Guidance and Special Education Services offered.

MAIN STREET

If you're worrying constantly about bills, perhaps you've been buying too much on the lay-awake plan.

2014.18.50A

Council Studies Water Sources

Cont. from Page 1

river bench; and a well field north-west of town.

Evaluation of estimated costs and potential indicates, that on a long-range basis, well fields offer the town a potentially economic water supply. In thousands of dollars, the estimated costs of the alternative sources of supply are as follows: river bench $294; well field north-west of town, $414; North Saskatchewan River, $510; Pembina, wells or infiltration, $664; and Pembina River, direct supply from river intake, $860.

In determining long-range requirements, population and water consumption trends were also analyzed. The engineering firm noted, that on the basis of the best information available from a number of sources, it is estimated that the population growth of Drayton Valley will continue at an average rate of 2.5 percent for the next 15 to 20 years to a population of around 4500 in 1986.

Assumptions made in projecting this growth were as follows: oil and gas production will continue at present levels for the next 25 years; a slight decline in oilfield workers is seen as automation increases; the agricultural base will remain stable; tourism and related development will increase; and a slight increase in service industries within the town is predicted.

On the basis of forecast population and water use, the engineers recommended an in-depth evaluation of the river bench and other groundwater alternatives as a long-range answer to the water problem.

After considerable discussion Council members appeared agreed on the necessity of drilling a new well in the West Valley Park area at the location recommended by the firm to meet immediate requirements.

Although a final decision was not made in either case, it also appeared the consensus of Council that a test be undertaken on the river bench. Such a test would have to be conducted either before or after the spring run-off to obtain an accurate picture of the area potential.

BERRYMOOR NEWS

A social evening and dance was held at the Lindale Hall on February 19th. Those who attended report a most enjoyable evening.

Get well wishes to Mrs. Linda Van Ember, who has had a bout with the flu bug. Mrs. Helen Anderson spent a few days at her daughter's home helping out while Linda was sick.

Dwayne Thorsen was home from his job in northern Alberta on the weekend of the 20th.

Mrs. Bill Rilchrist and daughter are spending a few days in Slave Lake. Bill is employed in this area.

Patty Bowen has been in hospital and we wish her a speedy recovery.

Wishes for a speedy recovery also go out to Mrs. Bernice Lietz who has had an operation on her hand and will be on the laid up list for awhile.

Jackie Haight had the misfortune to break some bones in her ankle as a result of a mix up with some bales of hay. Hope to see you getting around again soon, Jackie.

Mr. Allen Vogel has returned home from an enjoyable holiday in Mexico.

Sincere congratulations to Charlie Martin and Miss Judith Brower, who were married in the United Church in Pincher Creek on February 20th. Mr. and Mrs. George Martin, Mr. and Mrs. Donald Martin, Mr. Fred Martin, Mr. and Mrs. Allan Martin and family, Mr. and Mrs. Jim Martin and family, Miss Heather Malin, Mr. and Mrs. Roy Lawson, Mr. and Mrs. Earl Lawson, Mrs. M. Malainey and Mr. and Mrs. Albert Pischke attended from this area. Mr. and Mrs. Gordon Tryon of Breton. Mr. and Mrs. Bob Shaw of Edmonton, and Mr. and Mrs. W. Joneson and Milton of Peace River also attended.

Following the wedding the young couple spent a couple of days at the home of the groom's parents in Berrymoor. Mrs. Roy Lawson was hostess at a shower in her home on February 22nd for them. It was well attended and they received many lovely gifts, for which they thanked all those present.

A P.C. meeting was held in the Lindale Hall on February 25 with Mr. R. Zander of Tomahawk the speaker.

Mr. and Mrs. W. Joneson and Milton spent a few days in their cabin in Berrymoor before returning to their home in Peace River.

Get well wishes to all the folks who are victims of the flu. It seems that there are quite a few.

OPEN HOUSE

Anybody who would like to take post-secondary education with the assurance of a job at the end of the course is invited to attend open house at the Vermilion College, Vermilion, on March 5th and 6th.

These two days have been set aside by the college staff to introduce visitors to the college and to representatives of commercial companies.

retirement INCOME or INCOME tax

Enrich your retirement income with deferred tax savings. I'll be glad to show you how.

Inflation has one good point, your kids can't get sick on a nickel's worth of candy.

EVANSBURG NEWS

With all the beautifully warm spring-like weather we have been having the spring cleaning bug hit me and the news mailing deadline went by without me having sent in any news items. I do hope that everyone concerned will forgive the delay.

The 4-H Tractor Club held its regular meeting for the first half of the month. Most of the members, along with members from the Beef and Field Crops Clubs went to Drayton Valley to take part in the Parkland 4-H Council Curling and Bowling Fun Day. Just about all the junior members of the Tractor club and some of the senior members also attended the Leadership Workshop which took place at Duffield.

In the Mid-Winter Practical Examinations of the Royal Conservatory of Music, held in Edmonton, the following piano students of Mrs. Elizabeth Tkachyk were successful -- May Tkachyk, grade VI, pass; Verna Nikolyuk, grade III, honors; Herald Herchen, grade III, honors. Congratulations to all these hard-working students.

The members of the Agricultural Society had to cancel their usual monthly meeting due to the fact that so many of the directors were otherwise engaged. It is to be noted that all meetings of the Agricultural Society take place on the second Wednesday of every month and they are all held in the Wildwood School.

Visiting at the home of Mr. and Mrs. T. Mazeppa are Mr. and Mrs. J. Carlson and their son Keith. Mrs. Carlson is Mr. and Mrs. Mazeppa's daughter.

Back in action again after suffering from a slip on the ice is Mr. Willie Brenenstuhl; and best wishes for a speedy recovery go to Mr. Aspeslet and Miss Gail Brown who suffered injuries in separate accidents when they stopped to argue with a patch of ice. Get well, soon folks.

The Chamber of Commerce held a well attended banquet at the Legion Hall recently.

On Saturday, February 20th, a demonstration of the Kelly Kirby Kindergarden Piano Method was held at the home of Mrs. Elizabeth Tkachyk, teacher of music. Six students, ranging in age from three to five years participated in the program, with parents and friends providing an appreciative and enthusiastic audience. In addition to their piano keyboard work, the children performed action songs, rhythmic movements, ear-training, sight-reading and rhythm band. Kelly Kirby students taking part were: Rosemarie Van Miurs, Jody Smith, Ronnie Soliski, Dennis Caron, Kenneth Couie and Brandley Cowie. Following the demonstrations refreshments were served.

Village and district residents will have to change their shopping habits again as the new store late hours go into effect beginning March 4th. Beginning on that day, late shopping hours will change from Saturday night to Friday night. Stores will open the usual hours in the morning, and remain open until 9:00 p.m. on Fridays but close at 6:00 p.m. on Saturdays.

Senior Citizens Raise $546 by Recent Events

The regular monthly meeting of the Drayton Valley Senior Citizens Club was held February 25 with forty-one members and two new members present.

Entertainment was bingo followed by lunch. Mrs. Jessie Nelson of the Order of the Royal Purple was hostess for the evening.

The bazaar and tea held Saturday, February 27th was a financial success. Mr. Miller with ticket number 1189 was winner of the crocheted table cloth which was made and donated by Mrs. M. Malainey. Two thousand tickets were sold and $410.70 was made on the sales. A total of $546.50 was realized from the afternoon social.

Thank you is extended to all for their generous support.

Open Letter to Residents Of Parkland County

Recently two important decisions have been reached by your Council that we feel need additional clarification and explanation for the ratepayers. So often minutes cannot give a clear picture of what is proposed or is transpiring.

Firstly our intention to enter into agreement with Spruce Grove and Stony Plain to bring water from the City to Stony Plain. Stony Plain and Spruce Grove have critical water situations, both of which would be extremely costly to upgrade. For this reason, a water line from the city similar to the line serving Leduc and the line serving Fort Saskatchewan and Redwater was investigated. We were asked to participate in this survey, since it would run through the County, and we also have many high taxation ratepayers who are desperate for water, especially in the area near the City of Edmonton.

This study revealed, that on the basis of the assured usuage and the assured growth in the area, a water line was practical. The total estimated cost of the line is $926,000. Your Council feels that because of the need of our ratepayers, and the fact that the line would stimulate commercial growth, we should participate.

The project is to be completely self-liquidating. That is, it will be paid for by the water users. The line will be constructed by the Department of Public Works and turned over as a finished product. The three governing bodies will then each issue debentures for 1/3 of the cost of the line, less a 15% deferment by the government. The three governing bodies will form a water board to administer the line. The board will then wholesale the water to the local governments at a rate to cover costs and pay the debentures. The end result will be that only the people using water will pay for the line. Any deficits incurred during the first year or two will be borne by the local governments and then repaid by the board.

The study shows a population equivalent of 9,500 is needed to reach a break-even point. With the present population and the heavy commercial users waiting for water, we are nearly at this point now and should be by the time the line is completed. Your Council has passed only the first reading of a by-law to proceed with this project and invite your comments on it before proceeding.

If you would like a meeting in your area to answer questions or explain the project, please contact the writer or secretary, Mr. Schuster, and a meeting will be arranged.

The second matter is snowplowing of driveways. Section 188 of the Municipal Act reads:

1. A Council may, in cases of emergency or where no privately owned equipment is available, authorize the use of municipal equipment and employees for snow plowing or road building or road maintenance, or water or sewer repairs, when these services are requested by a resident or ratepayer of the municipality or by another municipality.
2. Any municipality or ratepayer requesting such service shall pay for the use of the machinery at a rate not less than the rate paid by the Government of Alberta for rental of similar equipment.

It has been brought to our attention by our association solicitor and our own solicitor that we have been contravening the act by not charging for snowplowing driveways and that we must do so. Your Council feels this is more trouble than it is worth, but we have no alternative. We therefore have initiated a policy as follows:

By written agreement with a ratepayer, private driveways and/or access to feed supplies may be snowplowed and charged for at a rate of $12.00 per hour with a minimum rate of $5.00 per snowplowing job. A form of agreement will be available on request (written or by phone) from the County Office, may be signed at the County Office in Stony Plain, at the County Shop in Drayton Valley or on request from the Area Foreman; East Area, Ed Webber -- Phone 422-0927, 777-2231 or 777-2065, West Area, Bob Pezzot -- Phone 542-4392.

We regret this problem and hope this policy will work satisfactorily.

Another matter of great importance is also now before us. The proposed provincial legislation to pool some assessments. Under the present proposal, our County could lose up to 1/3 of its assessment. You as ratepayers can readily see what this will do to your taxes. Strangely enough, we are by far the worst hit area in the Province. This is what makes it sound good to other areas, especially towns and cities. It is no doubt a vote-seeking proposal, that will again aid the cities.

Your Council will be sparing no effort to fight this legislation and would urge and ask all of you to assist us in any way possible. Letters to the government, to the paper, etc.; let your feelings and the unfairness be known. We don't quarrel with good legislation, but to cripple one area and take just from the rural areas to no doubt help the cities is completely unfiar.

The cities will contribute virtually nothing to this pooling as it is basically private electrical generating plants, power and pipe transmission lines and railways. The exact details are not yet known but we are certainly worried and working to stop it.

Your financial statements are in the mail. I would urge everyone to read the statement and especially the reports and then attend the annual meeting prepared to discuss your affairs. I would again ask your comments on the topics discussed today. If you feel a regular monthly information letter in the paper would be useful, I would appreciate knowing this as well and would be prepared to provide it.

LES MILLER, Reeve
County of Parkland

D. V. Highlights

BY MRS. EDITH DEBY

Mrs. Walter Durham had a pleasant visit with her sister Mrs. Fred Wilkes, of Lloydminster, in Edmonton recently. The two ladies shopped, saw shows and played bingo.

Mrs. Nick Urchyshyn is in Calgary this week to make the aquaintance of her new grandchild, Gregory Robert McKay Hunter.

Winners at the Legion Whist on Sunday evening were: High - Mrs. Rene Anderson and Mrs. Hilda Dusterhoft (playing as a gentleman). Low - Mrs. Romano and Mrs. Sonia Anderson (playing as a gentleman). Floater - Mrs. Margaret Westlund. The next whist party will be on March 21st in the Legion Hall.

Mrs. Edith Walker, of Claresholm, is spending two weeks with her son-in-law and daughter, Mr. and Mrs. D. L. Vanstone.

Mrs. Tom Kjorlien left this week to see her son and daughter-in-law, Mr. and Mrs. Melvin Kjorlien, in Vancouver.

Best wishes for future happiness go to Mr. and Mrs. Donald Wood who were married in Calgary on February 22nd. Mrs. Wood is the former Miss Irene Duggigan, of Edmonton. She is a member of St. Anthony's teaching staff.

Welcome to Mr. and Mrs. Norman Kambert who have just transferred to our town from Medicine Hat. Mr. Kambert is with Alberta Government Telephones.

Little Dorothy MacKenzie, daughter of Mr. and Mrs. Kenneth MacKenzie, was in hospital for a time last week.

Mr. and Mrs. Arthur Durham and Charlotte were accompanied by Mrs. Walter Durham for a visit in Calgary with the Gowdas.

It is a pleasure to be able to report that Neil Wilkes seems to be well on the road to recovery and should be able to leave hospital in the not too distant future.

The Women's Institute's "Drop In Centre" is being renovated by the town carpenters and will soon be ready for occupancy. It has been planned as a place where women shoppers may come to rest and attend to the wants of small children. It is situated in the basement of the Town Hall.

On Saturday evening friends planned a house warming for the Fred Wilsons. As it turned out the guests were as much surprised as the Wilsons for Mrs. Wilson had gone to bingo. However the new house was duly admired and a pleasant evening was enjoyed.

Readers of this column will have noticed my interest in the "Beginners" of our town and district. Recently the secretary's minute book for Dunington School was given to me to read. The district was formed in 1935 and the school was actually opened in November of '37. Records show that the teacher received a salary of $675 a year; Mr. Stordalsvoll was paid one dollar each for the window and door frames for the school; Mr. Elmore Lawrence received two dollars a cord for dry firewood and the janitor (a pupil) was paid the princely wage of one dollar a month. And some people still talk about "The Good Old Days". Note: It is of interest that this same janitor boy is now a plumber in Vancouver and we presume, is paid modern plumber wages. Interested parties are considering making maps for Violet Grove and Dunington similar to the one being made by Mr. Chester Miller for the former Drayton Valley School District. Some day they will be valuable for our museum.

Report From Parliament Hill

By Allen Sulatychy, M.P.

The question of the possible sale of a controlling interest in Home Oil to United States interests has concerned Parliament recently. In a special emergency debate, the House of Commons sat until after midnight considering the advisability of action to prevent this company from going into foreign hands.

Home Oil is the largest Canadian oil company and is the only one which has the potential to become a major producer of Canadian oil. It also has interests in Alaska and overseas.

Effective control of the company is held by R.A. Brown, a Calgary businessman who wishes to sell a portion of his interests. This will provide the purchaser with control of Home Oil.

Because of the concern of Canadians that Home Oil remain Canadian, Parliament entered into an emergency debate on the matter. In the course of the debate the Minister of Energy, Mines & Resources, the Honourable J.J. Greene, outlined the involvement of the government to date in this issue and the possible future steps.

Mr. Greene indicated that as early as June 21, 1971 the government began to discuss with Mr. Brown the matter of control of this company. The government has attempted to interest various Canadian companies in buying the shares which Mr. Brown has for sale. However, it has moved cautiously because as Mr. Greene pointed out "The interests of the private individual (that is Mr. Brown in this particular case) have to be considered most carefully, and should not be interferred with lightly or unnecessarily, in justice to the individual concerned."

However Mr. Greene added: "If the worst comes to the worst, then the national interest must be paramount; and if something must be done which impairs Mr. Brown's interest, then that must be, because the national interest must come first".

In the event that the govern ment is forced into more drastic action, Mr. Greene indicated that he is convinced Parliament has the power to prevent the sale by legislation.

It should be pointed out that this case differs from the case of Dennison Mines, in which the government did prevent the sale to foreign buyers. Under the constitution uranium mining has been declared a work for the general advantage of Canada and therefore faces under the juris diction of the provinces, but presumably the Government considers that other constitutional authority is available to prevent the sale of Home Oil to foreigners if necessary.

The Home Oil case points out the need for a general policy on foreign ownerships in Canada. The report which the Honourable Herb Gray, Minister of National Revenue, will shortly make to Parliament and the country on this subject will be very welcome

A sure way to draw attention to your own faults -- start giving advice.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

The Social Credit notion of an election budget is "responsibility" and this is evident after the tabling Friday of a $1.2 billion spending program for the forthcoming year.

Though the theories call for a government to look to tax decreases and attractive spending promises in an election year, the 36-year-old Alberta administration opts instead for the security of fiscal restraint, a promise to meet economic problems and, of course, no tax increases.

The budget read by Provincial Treasurer Anders Aalborg will mean only a 5% increase in 1970 spending levels. Mr. Aalborg applied the brakes to increases in education spending, grants to municipalities, hospital costs and certain capital works programs to control overall provincial spending.

For the voters, he has some inexpensive, but catchy, budget pledges. The grid road system, for instance, was first proposed in 1963 but postponed every year thereafter. Now, it will get underway with an initial $8 million outlay to begin paving the 9,400 miles of secondary roads that run through every rural constituency in the province.

Job-creating public works programs and an expanded housing program, together with a $3 million start on an industrial incentives scheme for centres of less than 40,000 will also sweeten the pot.

While the budget is comprehensive, the Opposition Conservatives are certain to launch an attack on the Socred government for failing to commit sufficient procincial funds to meet the unemployment crisis.

The Tories have already started attacking the $6.4 million program that Premier Harry Strom says will provide 2,500 jobs this summer. In a non-confidence motion, debated for two weeks of the session, the Opposition argued all public works programs should be accelerated to meet the jobless problem.

Mr. Aalborg also promised a $10 million budget for the new environment department and said revenue from petroleum royalties should increase $50 million to $170 million this year.

Municipalities, meanwhile, who had formerly received one-third of the royalties, will now have a $38 million ceiling placed on provincial grants from the oil revenues. Mr. Aalborg said this would maintain 1970 levels of support.

The $1.2 billion spending estimates will produce an overall deficit of $166 million, but Mr. Aalborg expects the province will only have to borrow $80 million to $90 million to finance the deficit.

The budget also confirmed that the provincial secretary's department will disappear this year, with most of its programs being picked up by the expanded culture, youth and recreation portfolio.

The biggest promise of all in the budget is the tax news -- any government that takes an extra dollar from the taxpayer in an election year ends up paying for it.

Editorial Comment

Yellowhead Route Offers Area Potential

The shifts in Western Canada traffic patterns coinciding with the opening and acceptance of the Yellowhead Route to the west coast should benefit several communities in this area.

An indication of the impact of the change in trends is found in an analysis of traffic counts taken by the National Parks Branch of the Federal Department of Indian Affairs and Northern Development which shows the dramatic switch underway to the new Yellowhead Route from the old Trans-Canada Highway, particularly over the sections of the two roads which pass through the Rocky Mountains.

A comparison of traffic figures for 1969 and 1970 taken at the east and west gates to Banff and Jasper National Parks shows that 61,177 more passenger vehicles traversed the Yellowhead in 1970 than in 1969 whereas the increase in traffic on the old Trans-Canada Highway through the Rogers Pass increased by only 48,354 cars.

Cross-country travellers from other Canadian provinces, particularly, are choosing the new route over the old with figures indicating an increase in Canadian traffic over the Yellowhead from 1969 to 1970 of 56,861 cars compared to an increase of only 38,520 cars on the Trans-Canada.

Truckers have long felt the new route offered a quicker, safer all-weather route to the West Coast than the Rogers Pass road because of its lack of steep grades, lighter annual snowfall and absence of avalanches and mudslides with their accompanying long waits for road clearing. Official opening of the Yellowhead Highway through the mountains last summer apparently has accelerated the commercial switch in routes.

The wide, picturesque, easy-to-drive route of the Yellowhead, which resulted in the first season growth in passenger vehicles, can be expected to draw increasing numbers of holidayers as word from its 1970 discoverers is passed along to others.

Also expected to further increase the passenger vehicle traffic on the route will be the official opening of the north branch of the Yellowhead -- from Tete Jaune Cache to Prince Rupert -- slated to take place later this year.

Edson appears to be the most strategically located community on Highway 16 west, but there is no reason why all, from Spruce Grove west, won't share to some extent in business generated by the vastly increased traffic flow.

The benefits though, won't be confined to those on Highway 16 -- increased traffic should also be seen on Highways 39 and 57 west of Leduc as the shorter, all-paved connection to No. 16 becomes better-known to travellers. As well as cutting off many miles of travel, the route bypasses the city -- a feature that will make it attractive to many travellers.

The opportunity for increased business lies before all of us whether located on 16, 39 or 57 We need the vision to grasp the chance to share in the ever-increasing Canadian tourism and highway travel bonanza.

PROTECT TOMORROW... TODAY... THRU PROGRESS

Summary Regular Meeting Parkland County Council

Minutes of a regular meeting of the Council of the County of Parkland No. 31, held in the County Office at Stony Plain, Alberta on Monday, February 22. Minutes as recorded by secretary and not yet adopted.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

Mr. Terry Mason of Imperial Oil Limited was present at the meeting to make Council aware of a proposed condensate pipe line Imperial Oil Ltd. is planning to install from Judy Creek to the Golden Spike gas plant. This pipe line will cross the County from the north to the Golden Spike Plant.

PROPOSED OFFICE ADDITION

A revised estimate of cost and plans were submitted by Aberdeen Groves, Hodgson, Architects on the proposed addition to the County Office Building.

It was agreed that the architect be requested to attend a meeting of the Council to supply further information in this regard.

The owner of the N ½ NW 36-52-26-4 has requested that the existing service road agreement pertaining to the north boundary of the NW 36-52-26-4 be cancelled.

The Department of Highways and Transport has advised that it is prepared to construct a service road to provide access to Mr. Lyle Hewko in the NW 36-52-26-4 and the extension of this service road would be provided by the Department of Highways and Transport if it is required as a result of the continuation of access control plans. As an alternative the extension of the service road could be required as a result of further subdivision in the quarter section.

In view of this information it was agreed that the existing service road agreement be cancelled and the caveat against the property be discharged.

Councillor Robert A. Bailey was now in attendance at the meeting.

By-Law No. 5-71 providing for the entering into an agreement with the City of Edmonton for the supplying of water by the City, received first reading.

Offer to purchase Lot 7, Block 3, Plan 1605M.C., Lake Isle for the sum of $250.00 was received from Mr. Klaus Roehrig of Edmonton. Offer not accepted for the reason that it is too low.

Notice received that Unifarm is holding a seminar on pollution as it relates to agriculture, in Edmonton on March 4th.

It was agreed that any member of the Council who wishes to attend this seminar be authorized to do so.

The Department of Highways and Transport submitted a proposal for two alternate routes for the secondary road south of sections 4 and 5-52-4-5.

It was agreed that the proposed line No. 17, which is the straight line route, be approved and recommended to the Department of Highways and Transport.

Poundkeeper's statement of impounding of one heifer in the Pound kept on the SW 10-53-26-4 on January 28, 1971 was presented to the Council. The heifer was not claimed by the owner and subsequently sold on February 8, 1971.

It was agreed that the Poundkeeper's fees be paid and the balance of $40.80 from the proceeds of the sale, be paid to the impounder against his claim, after 30 days which is the period of redemption by the owner.

Request for submissions concerning the railroad crossing at Mile 46.2 was received from W/SW 10-53-4-5 -- Canadian Transport Commission. A letter dated February 10, 1971 from the Candian Transport Commission was presented to the Council advising that an accident occurred at the above crossing on November 27, 1970 and suggesting that trees and brush be cleared to provide clear view within 300 feet of the crossing.

This matter was referred to the Public Works Manager and Councillor Lent for inspection.

SEWAGE TREATMENT IN HAMLET OF WABAMUN

Report dated February 10, 1971 from the Department of Health was presented to the Council with respect to tests made at the Wabamun sewage treatment plant. The report was accepted for information.

It was agreed that Hu Harries and Associates Ltd. be authorized to proceed with the annual revision of appraisals on buildings and contents.

Notice received that the Annual Meeting of the Alberta Municipal Financing Corporation will be held in Edmonton on Monday, April 5th.

It was agreed that one member of the Council be delegated to attend this meeting.

It was further agreed that Councillor Roy Lent be delegated to represent the County at this meeting.

It was agreed to place an advertisement in the Spruce Grove Trade Fair Program Booklet.

Recommendation received

WEDDING REPORTS

-- Over 1 month old will not be accepted for publication in The Western Review.

MAGNOLIA NEWS

Allan and Brenda Walker with their family held a surprise birthday party for Mr. Harris, Brenda's father, on February 14th. Dinner guests were Mr. and Mrs. Harris, Mr. and Mrs. Congo and Larry, Shirley and family.

A twenty- fifth wedding anniversary social evening was held to honor Tom and Doreen Thomous on February 20th. Approximately one hundred and ten folks came to wish the bride and groom the best and also to enjoy a pleasant evening. Entertainment for the evening was provided by Sandra and Tammy Gylander singing the "Anniversary Waltz"; a skit with Yvonne Nobert, Allan, Brenda and Larry Walker; Connie Rose, Betty Strangway, Mrs. Storms and Mrs. Tufty as players. Also music for dancing by Mr. and Mrs. Bill Kochansky. The bride of twenty-five years looked lovely in a white dress with a rose corsage. The groom was very dignified in a dark suit with a boutonniere. A bountiful lunch was served. Tom and Doreen wish to thank everyone for a wonderful evening.

Another of our young at heart older folks, Mrs. W. Anderson, has celebrated her birthday. Mrs. Anderson chose February 23rd as her special day ninety-three years ago. Folks who were with her to help celebrate were Dick, Lawrence and Ivey; Gunnar and Mina; Thelma; Myrtle and Mr. and Mrs. P. Neilsen. I'm told that Mrs. Anderson had a very good day and enjoyed it immensely.

Regular Meeting County Council

Cont. from Page 5

from the School Committee that the possibility of a job classification and evaluation for all County employees be investigated. It was agreed that this recommendation be considered and investigated.

Request to purchase Pt. SW 35-50-4-5 (23.24 acres) was received from Mr. Allan Cameron of Edmonton.

The above named made an enquiry whether he could perchase Pt. SW 35-50-4-5 (23.24 acres) as he owns the balance of this quarter section.

It was agreed to not sell this parcel as the County owns the mineral rights and should also retain the surface rights.

The minutes of the fire chief's quarterly meeting held in Spruce Grove on January 27th, were received for information and items in the minutes requiring action were referred to the County Fire Chief.

Preliminary Agreement for 42 feet of land for road widening purposes along the north side of the NE 36-51-26-4 with compensation of $510.00 for approximately 2.55 acres of land, $200. for one-half mile of fence and $75.00 towards the cost of survey was approved.

Mr. E. W. Hillyer, Building Maintenance Supervisor was present at the meeting to discuss with the Council his salary for 1971.

By-Law No. 8-71 authorizing certain privileges to operators of snowmobiles in the Drayton Valley area received first, second and third reading and finally passed by unanimous consent of the Councillors present.

SPECIAL CONTINGENCY ROADS APPROPRIATION

Advice has been received from the Department of Highways and Transport that likely the Secondary Roads Program will be commenced in 1971. It is anticipated that the Contingency Grants will be incorporated with the Secondary Roads Program and consequently there would be no special Contingency Roads Appropriation for the forthcoming road construction program.

It has become knowledge that the Department of Municipal Affairs is recommending that legislation be enacted whereby certain industrial properties would be taxed by the Provincial Government and the revenues from this taxation distributed to all municipalities in the Province.

It was agreed that a meeting be arranged with the Cabinet through the local M.L.A. for the purpose of presenting objections to this proposed change in the assessment and taxation of industries.

It was agreed that application be made for an allotment from the above appropriation of an amount sufficient to complete the two miles of road south of sections 4 and 5-52-4-5.

A request was received from Imperial Oil Limited for permission to temporarily close the road west of sections 26 and 35-51-27-4 or portions thereof, if necessary to assist in the cleaning up of an oil spill in the area.

It was agreed that this permission be granted.

PROPOSED SEWAGE LAGOON RELOCATION

Letter dated February 22, from the Town of Stony Plain was read to the Council requesting permission to acquire land in the County for the purpose of relocating the Town sewage lagoon.

It was agreed to reafirm the previous position of the County and insist on a development application being submitted by the Town.

Mr. R.N. Griffen, Executive for the Edmonton Regional Planning Commission, was present at the meeting to discuss with the Council the following matters:

1. A proposed regional parks policy.
2. The proposed Big Lake recreational area.
3. Zoning revisions in the Edmonton Metropolitan area.

Mr. Giffen explained each item in great detail and lengthy discussions were generated. The following actions were endorsed as a result of the presentations and discussions: Region Parks Policy -- It was agreed that the Edmonton Regional Planning Commission staff concept be endorsed and further investigations be requested.

Big Lake Recreational Area -- Moved and carried that the Council endorse in principal the Edmonton Regional Planning Commission staff proposals for the Big Lake Area.

Zoning Revisions in The Metropolitan Area -- Proposed revisions accepted.

Mr. Stan Hodgson, Architect was present at the meeting at the request of the Council, in connection with his estimated cost of the proposed addition to the County Office Building.

It was agreed that Mr. Hodgson be instructed to proceed with plans and specifications in accordance with his submission dated February 15, 1971 and the acceptable cost of construction is not to exceed the estimate by more than 10%.

The Public Works Manager and Shop Manager attended the meeting to deal with the Tenders for purchase of a loader. It was decided that the four low tenderers be requested to demonstrate their machines.

DRIVEWAY SNOWPLOWING POLICY

A form of Agreement was presented to Council which, if signed by an owner, would aumorize the County to snowplow his private driveway and make a charge for this service at the rate of $12.00 per hour with a minimum charge of $5.00 for each job done.

Considerable discussion followed and it was suggested that snowplowing services should not be limited to driveways only.

Moved that a snowplowing policy and charges be instituted as written into the agreement, covering snowplowing of driveways only.

An amendment to the motion was moved that the agreement be altered to authorize snowplowing of private driveways and/or roads to feed supplies that become impassable or hazardous due to snow conditions and that the aforementioned rates be charged for this service. Carried.

The original motion as amended was voted on and carried.

The meeting continued on Thursday, February 25th.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

The financial statement for the month ending January 31, 1971 was accepted.

An application to lease block R, Plan 3662R.S. (Park Reserve) in the NE 31-52-1-5 and PT. SE 36-52-2-5, was received from Toboggan Park Ltd. for the purpose of utilizing these lands for the running of power toboggans in the winter months.

It was agreed that these lands be not leased for the purpose mentioned for the reasons that the Park Reserve is available to the public for this purpose anyway and the Pt. SE 36-52-2-5 is a narrow strip of land adjacent to railroad right-of-way and therefore not considered appropriate for this purpose.

POLICE COMMITTEE REPORT

The report of a meeting of the Police Committee held on February 10, was presented to the Council. The report revealed that the Committee discussed the matter of snowmobile operators trespassing on school property.

It was agreed to refer the matter of snowmobile operation on school property to the School Committee for an opinion or formulation of policy.

Notice was received from the Edmonton Regional Planning Commission that they received an inquiry regarding the possibility of drilling an oil well on L.S.D. 6-4-53-25-4 by Peyto Oils.

It was agreed to advise the Edmonton Regional Planning Commission that the Council has no objections to this proposal and approval be given subject to the drilling company conforming to regulations of the Oil and Gas Conservation Board, the Department of Health and the Department of Highways and Transport.

Agreement for backsloping on the west side of the SW 28-52-1-5 with compensation of $68.00 for 1.7 acres crop damage, $50. for cleaning up the road right-of-way and the County to construct an approach to the property, was accepted.

GRAVEL STOCKPILE SITE AGREEMENT

Agreement for two acres of land in the SE 19-50-4-5 for the purpose of a gravel stockpile site at an annual rental rate of $80.00 was approved.

Considerable discussion concerning the proposed new snowplowing policy was entered into insofar as making the residents aware of the policy is concerned.

The redraft of the Employees Association Agreement and Wage Schedule was considered and discussed.

The Agreement and Schedule of Wages for the year 1971 and 1972 was approved and accepted subject to the following changes:

1. Section 2 to be changed by adding item (d) to include Area Subforemen.
2. Section 18 to be amended by changing the employer contribution towards the basic plan under the Alberta Health Care Insurance Plan to one-third (1/3) of the premium and deleting entirely the provision for employer contributions towards Blue Cross coverage.

Employee salaries and wages for 1971, other than for those employees that come under the Association Agreement, were further considered and discussed.

Mr. George Mailer, County Assessor was present at the meeting to discuss his proposed salary and travel allowance for 1971.

Mr. Syd Moore, Parkland Regional Recreation Supervisor attended the meeting to present a proposal for the proposed Wabamun Arena development. This proposal was thoroughly discussed and compared to previous policies for capital recreational facility development.

The following provisions were unanimously endorsed:

1. That Council accept in principle the basic policy for contribution towards construction of recreational facilites on the basis of two-thirds (2/3) of the cost to a maximum of $66,000.00 of County funds if the facility is within the area of County jurisdiction and one-third (1/3) of the cost to a maximum of $66,000.00 of County funds if the facility is within a Town or Village within the boundaries of the County. Any proposed facility must receive the approval of Council prior to a commitment for contribution of County funds being made by Council. In the event that payments of County contributions on any one project are made in instalments, the annual interest on the unpaid balance will be borne by the County.
2. That the foregoing provisions apply to the proposed construction of an Ice Arena in the Hamlet of Wabamun, subject to recommendations by the County Solicitor with respect to the agreement.

ENTWISTLE NEWS

A community shower was held to honor Lois Tamke Karran who was married recently. The shower took place on February 17th in the Elks Hall. There was a good crowd and the bride received many useful and lovely gifts. Lois thanked all present for the gifts and for those who put the shower on for her. A lovely lunch was served after the gifts were opened.

Several children from Entwistle are in the Kinsman Kin-Kapades Ice Carnival which will take place on Sunday, February 28th in the Evansburg Arena Colleen Brown is running for Carnival Queen from Entwistle.

Gordon Campbell is in the Stony Plain hospital where he underwent an operation. The last report was that he was feeling fairly well and if progress is favorable he should be home before too long. We all hope he will get well in a hurry and come back home in short order.

Two Entwistle rinks curled in the Lakeside Ladies Open 'Spiel on the weekend. The Hanson rink came out on the top of the 2nd event while the Starling rink won 2nd in the third event.

Don't forget the Open 'Spiel to be held on March 19th, 20th, and 21st, we have artificial ice and a heated rink. Contact Lil Hanson or Meg Swinnerton.

PROGRESSIVE CONSERVATIVE ANNUAL MEETING NOTICE

Thursday, March 4th
at 8:00 p.m. in the
Legion Hall, Drayton Valley
DR. HUGH HORNER, Guest Speaker

LETTERS TO THE EDITOR

Editor,
The Western Review
Dear Sir:

As one who has been actively engaged in charitable canvassing and the organization of canvasses for our town, I would like to say a few words.

Firstly, contrary to what most people believe, there are not that many charitable drives in our town, U.N.I.C.E.F., Red Cross, C.N.I.B., Heart Fund and Cancer. Do any of us have any guarantee that we will not need help from one of these organizations in the very near future? At no time will any of these charities say to us, did you help us in your time of prosperity and good health, if not do not bother us now that you are in need.

As canvassers, all we ask is an honest answer. Come to the door and if you do not wish to support the charity asking for donations, be honest and say so. The businesses of Drayton Valley are canvassed, however, only the proprietors donate. The employees are rarely asked for donations in the offices, the exception being Pembina Pipeline who do make payroll deductions for Red Cross alone.

As one of the co-ordinators of the Red Cross annual drive for funds I would like to thank the many generous householders and business proprietors who support our work, but to some members of our community I would ask, please help our canvassers. Do not tell the canvasser to come back unless you will be sure to be home when they call. Please do not say my husband gives at work unless he is the owner of a business in Drayton Valley. As canvassers, we know it just isn't true.

Margaret Tyler

Editor
The Western Review
Dear Sir:

With spring approaching, we can look forward to another rush of farm auction sales.

Some farmers will have reached their decision to sell out because of age and plans for retirement. Having no children that are willing to accept the uncertainty of farming as a means of livelihood, they have no alternative but to offer their chattels, which they have taken a lifetime to accumulate, for sale.

Other farmers will have reached the stage of frustration and disenchantment with farming that other forms of livelihood or even welfare will look more attractive to them.

These farmers will be selling out at a time when there is a "buyer's market" due to an oversupply of similar chattels being offered for sale by too many other farmers.

Whatever the reason, the net result will be a further depopulation of our rural communities.

This trend should be viewed with alarm.

The merciless and endless process of weeding out farmers must be brought to a halt. Farmers themselves must recognize as wrong the idea that never ending competition and an eagerness to swallow up their neighbor's land is the only way to improve their income.

Policies that lead to a near complete depopulation of our countryside must be corrected through a reversal of recommendations outlined by the Task Force Report on Agriculture.

Responsible people in government should act, not soon, but now, before it is too late.

Do we want rural repopulation or urban sprawl?

Rudy Kiist
Vegreville

Editor,
The Western Review
Dear Sir:

On behalf of the Albertans at CFB Greenwood, I would like to thank you for the support given by your paper and readers, prior to our annual Ookpik Winter Carnival. The Albertans here were very proud and the people from the other Provinces and the Territories astounded by the response we received from home.

As a result, we are once again holders of the trophy, donated by the Ontario Government, for "Best Publicity". Although we weren't able to better our standings in the sportative end, and the snow melted so we couldn't display our "winning" snow sculpture, we are certain more "down homers" are aware of Alberta and her hospitality.

Joyce Murphy
Alberta Publicity Committee

Leadership Workshop Held at Duffield Hall

On Thursday, February 11th, the Department of Youth sponsored a Leadership Workshop for senior and junior leaders in the 4-H movement. The course took place in the Duffield Community Hall and after a smorgasboard supper sponsored by Gulf Oil and served by the Smithfield Gymkhana Club ladies, those in attendance began on the business of the evening.

Mr. Rick Andrews, 4-H Regional Specialist with the Department introduced staff and resource people. They were Darwin Park, Youth Representative from Stony Plain; Penny Wilkes, Leadership Program Supervisor; Jack Monoghan, Youth Representative from Edson; Tom Knight, Alberta Wheat Pool Representative; Bill Earl, United Grain Growers Representative.

After introduction of staff and resource personnel, those in attendance were asked to form into groups of threes, either two adults and one junior or vice versa. Three questions were then put to the groups thus formed. These questions were to be answered in turn by some member of the group and then the answers were to be discussed by the three persons involved.

Resulting from these discussions several ideas were then given to the groups in general. Everyone then formed into one large group and discussions took place led first by Jack Monoghan and then Penny Wilkes.

After this discussion, Adult leaders formed into groups of six or eight and junior leaders did likewise. These groups then discussed problems among themselves for some time and then one group of adult and one group of juniors joined for more discussion.

Resource personnel joined each group in their discussions at this point. Following this, each club group then met separately in order to evaluate and list some of the things which they thought they could bring back to their clubs to help make a better organization.

4-H members came from throughout the county of Parkland, and a bus load of members came from Edson to attend this leadership session. At the end of the session, coffee was served, compliments of United Grain Growers.

A note to all 4-H club members, leaders and those interested in the 4-H movement. Mr. Andrews, Regional 4-H and Junior Forest Warden Specialist will be at the office of the District Agriculturist in Evansburg on March 25th, from 9:30 a.m. to 5:30 p.m.

Public Speaking Club Project

At the regular meeting of the Sundance Garden Club held recently it was decided that seven members will take part in public speaking. It was also decided to hold a speak-off for Pee Wee members of the garden and beef clubs.

Three members have decided to take the self-determination project this year.

The club leader, assistant and three junior leaders attended the Leaders' Workshop at Duffield on February 11th and report a very educational gathering.

Plans were made for a dance to be held on May 7th.

Prizes Well Distributed

BRETON -- The monthly Elks Bingo held on Tuesday, February 23rd at the Breton Community Centre was a rewarding night of entertainment to residents distributed over a wide area.

Mrs. J. Meinczinger of Warburg, took the $100 prize. Mrs. E. Smith of Warburg was a triple winner, while Mr. D. Armstrong of Carnwood doubled. Other winners were: Mr. R. Worshek and Mrs. Zukowski of Sunnybrook; Mrs. Weatherspoon, Mr. R. Jehn, Mr. J. Bierback and Mr. G. Kruger of Warburg; Mr. D. Gent of Pigeon Lake; Mr. H. Rasch and Mrs. E. Melin of Thorsby; Mrs. C. BONSPIEL WINNERS

Mike Karbovanec, (L) manager of the Drayton Valley Hotel, presents the hotel trophy to winners of the second event in last weekend's open bonspiel. Members of the rink, from the left, are, Don Howarth, Wally Peters, Bert Telford and Buster Holte.

Winners of the third event are presented the MacCalder Construction Ltd. Trophy by Bert Demers (L). Rink members, from the left, are, Norm Theuss, Tom Bahniuk, H. Shedmon and Bill Fraser.

Fourth event winners receive the M and R Trucking Trophy from Dennis Manning. Rink members, left to right, are Stan Baldwin, Dave Redford, Eric Baldwin and Larry Hinecker.

Billy Rose presents the Rose's Well Service Trophy to winners of the fifth event. Rink members from the left, are, Ken MacRae, Grant Brown, Ron Conarroe and Ron Schultz.

VILLAGE of ENTWISTLE
Entwistle, Alberta

NOTICE OF ANNUAL MEETING

Notice is hereby given that a meeting of the Electors of the Village of Entwistle will be held in the Village Office on

MONDAY, MARCH 22, 1971

at 7:30 p.m.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

The present flu bug continues to take its toll of victims. From 25% to 30% absentees were reported last week.

We have Mrs. Oakes' grade four class to thank for the following choice limericks.

There was a young lady of Wilts
Who walked up to Scotland on stilts.
When they said, "It is shocking
To show so much stocking."
She answered, "Then what about kilts?"
-- Shelly Ann Solomon

There was a fat lady of Spain
Who always complained of pain
She went to the doctor
And told him to adopt her
That silly old lady of Spain.
-- Karen Lepp

I knew an old lady from New Brunswick,
Who always carried a big long stick.
She saw a bee,
It was in a tree
How is that for a limerick?
-- Verna Symes

There was a man of Paris
Who also lived on a terrace.
If he fell off,
He'd never get aloft.
That poor old man of Paris.
-- Jo-Ann Lukach

I knew an Old Man from Entwistle
Who sat on a very sharp thistle
He got a bad scare
And jumped up in the air,
And let out a very sharp whistle.
--Verna Symes

There was a fat man from Boston
Who had a little Austin.
He got in it one day,
And drove it away,
And everybody thought they'd lost him.
--Holly Bjorge

KEEPHILLS NEWS

Elva Clark, Millie Raymond, Viola Porter and Laura Bacon were in the ladies' bonspiel at Seba Beach February 20th and 21st, winning their 2nd and 3rd games.

Ila Edge, Bernice Vanderwell and Alma White visited George and Betty Strassburger and family near Stony Plain on Sunday.

Nora Dombrosky spent a week at Drayton Valley with her daughter Joyce and Wolfe Schwalbe.

Mable Bryant is back in the district after spending some time with her son Gordon, at Drayton Valley and friends at Stony Plain.

Sympathy of the district goes out to the Coates families in the death of Mr. Jim Coates on Wednesday, February 24th.

Ila Edge from Calgary spent a few days in the district visiting friends and relations.

A baby shower for Baby Shane White was held at Alma Whites on February 24th when women of the district gathered there. A lovely lunch was served by the hostesses Ruth White and Irene Vanderwell.

Oil Activity At St. Paul

Several drilling rigs have moved into the St. Paul district again after a short absence when they moved to other parts of the province. Quite a few holes have now been drilled in the district, and the area still holds promise for more.

A former resident reports that there were several days this winter when the streets of St. Paul had a look about them as did Drayton Valley in the mid '50s, with rigs, frac trucks, water trucks, etc. lining the streets.

Women's Institute Holds Annual Dinner Meeting

The annual dinner meeting of the Women's Institute was held in the Cardium Room on February 22nd. Mrs. Dalheim, of Onoway, Constituency Convenor paid us her yearly visit. Mrs. Dalheim brought many interesting items to the meeting.

The constituency will be held this year in Sangudo on May 12. This is the year of the Bi-annual Provincial Conference being held in June. Such matters as a proposed girls' club exchange; new form of reporting at the constituency; structural change in the W.I. itself; short story and poetry competition; and the annual handicraft tea were brought forward for attention.

Members were gratified to learn that the W.I. wheel chair is being used continuously. This chair was purchased by the W.I. some years ago and is being loaned to people who need one when they leave the hospital. Mrs. Jahnke, hospital administrator, very graciously looks after this for us.

Mrs. Hammerlindl reported on the rest room project. Town Council has put a room in the basement of the town hall at our disposal. As well as supplying the room the town will pay the janitor and utilities. The Women's Institute is to be responsible for furnishing and supervision. Used furniture in good repair is urgently needed. If you have a table, chair, or any other useful item you care to donate please telephone 542-3845 and it will be picked up.

The rest room committee would greatly appreciate offers of supervision from any lady having spare time. Phone Mrs. Hammerlindl at 542-4123.

LODGEPOLE NEWS

A school bonspiel was held last weekend with rinks from Alder Flats, Wildwood, Tomahawk and Lodgepole, The Grand Challenge Trophy donated by Pemfield Service was won by the G. Sluchinski rink. Second place went to the R. Berglund rink. The second event trophy was won by the D. Bolianatz rink and second place went to the Headon rink from Wildwood. A vote of thanks go to the donors of prizes and to the ladies who prepared the banquet and to the officials in charge.

Guests of G. Pederson's came from Saskatchewan to celebrate Mrs. Carl Pederson's eighty-seventh birthday.

A Lodgepole ladies rink with Marie Woytowich as skip assisted by Florence Elliot, Theresa Dubina and D. Pederson ventured to Wildwood and came home with first prize in the third event.

Congratulations to Terry and Cheryl Wentland now of Edmonton on the arrival of a son, Travis, weighing in at eight and a quarter pounds.

Gary Wiltse is wearing a finger splint as the result of getting too close to a school workshop drill.

Icy patches on our curved roads are catching unwary motorists off guard. A large service truck was completely overturned in the ditch near Violet Grove. One of our teachers ended up with a car straddling the snow bank. Another driver kept going straight ahead on a curve.

Miss Lois Elliot has graduated from the school of hairdressing in Edmonton and is considering a course in instructing.

The east-end garage has reopened under new management as the D. and M. Service.

SURGING ENROLMENT

The Northern Alberta Institute of Technology began accepting applications February 1st for the next academic term, to commence next September. Indications are that enrollment will surge to a new high.

All high school students and others intending to make application to N.A.I.T. are urged to do so immediately. This includes most of those programs presently filled. Applicants who withdraw are replaced from those students on hold lists for each technology.

To date this year, N.A.I.T. has received 1,958 applications compared to 1,297 at the same time last year.

COUNTY OF PARKLAND No. 31
Stony Plain, Alberta

NOTICE OF ANNUAL MEETING

Notice is hereby given that a meeting of the electors of the County of Parkland No. 31 will be held at the New Spruce Grove School Auditorium in Spruce Grove at 10:00 o'clock in the forenoon, on Saturday the 20th day of March, 1971 for the discussion of the affairs of the County.

The electors of Towns and Villages and of rural School Districts included in the County for school purposes are entitled to attend to participate in the discussion of school affairs, which will be held immediately after the election of a chairman to conduct the meeting.

Dated at Stony Plain, Alberta this 23rd day of February, 1971.

O. W. SCHUSTER,
Secretary-Treasurer,
County of Parkland No. 31

FALLIS NEWS

A shower was held in the Fallis Community Hall on the evening of February 9th in honour of Mr. and Mrs. Gordon Jones who were recently married. The hall was decorated in green for the occasion and the bride's table was decorated with pale green streamers. The bride's cake was made and beautifully decorated by Mrs. George Mann.

Assisting the bride was the bride's sister-in-law, Mrs. Lynn Magerison, the bride's mother-in-law, Mrs. Dave Jones and assisting on the guest book was the bride's sister Mrs. Athmeks from Darwell. The bride received many lovely and useful gifts.

A hat was made for the bride from the ribbons and bows of the gifts received by Mrs. Carole Hurst which the bride later modelled. The bride then thanked everyone for the gifts and for attending.

Lunch was served by Mrs. Iris Wilkie, Mrs. Joyce Wilkie, Mrs. Lil Gunther and the Gunther girls. During lunch the bride's cake was cut and a small piece was passed to each of the attending guests.

The bride and groom are making their new home at Fallis.

Sympathy of the people of Fallis is extended to Mr. Bean and family on the death of Mrs. Bean.

Alex Holosney of Gainford, Mr. and Mrs. Mashtaler, and Mrs. Fell motored to Stony Plain to visit Mrs. Fry who is in the Old People's Home there.

Visiting at the home of Mr. and Mrs. Lounsbury were Mr. and Mrs. Strong from Edmonton and also visiting was Mr. Lounsbury's neice from Edmonton.

Mr. and Mrs. Mike Mashtaler drove to Magnolia to visit Mrs. Mysliicky.

The regular monthly community meeting was held in the Fallis Hall on March 1st.

Visiting at the home of Mr. and Mrs. Mike Mashtaler was Mrs. Mashtaler's sister and brother-in-law of Blueberry.

Guests at the home of Mr. and Mrs. J.R. Magerison were their eldest daughter Barbara, her husband Herman, and their son Shawn, also visiting was Barbara's younger sister Laurie all from Edmonton.

Bingo was held in the Fallis Community Hall on February 19 with a very large crowd in attendance. The next bingo will be held on March 5th in the Fallis Community Hall commencing at 8:00 p.m.

Agricultural Committee News

CATTLE LICE

Early spring is the worst time of the year for lice on cattle. At this time, the louse population is at its highest and the drain on cattle is great.

Fattening and growing animals do not gain as fast as they should and are more susceptible to disease. Canada department of Agriculture estimates a reduction of gain of 1/2 to 2/3 pound per head per day for louse infested animals. This can easily mean a difference of $10.00 to $15.00 per head.

Cows are dragged down, have more trouble calving, and do not milk well, resulting in possible weak, and disease-prone calves. A poor start may slow a calf down so that weaning weight is considerably reduced. Now is the time to treat your cattle to rid them of lice. Cattle who were not treated with systemic Pour-ons or spray in the fall of 1970 will also get a good grub kill when treated after March 1st this spring.

If you are not sure how to treat your cattle either with systemics or contact insecticides please consult your D.A. or Agric. Fieldman at the County office in Stony Plain.

RECREATION ROUND-UP

MOTHER'S DAY OUT PROGRAM Starting Wednesday, March 10th, Mother's Day Out Program will be held from 9:30 to 11:30 a.m. in the Council Chambers. Fee per adult is $1.00. WABAMUN NEWS

The Wabamun W.I. sponsored a whist drive on February 23rd with the prizes going to - Ladies 1st, Mrs. G. Fuhr; 2nd, Mrs. W. Stecyk; consolation, Mrs. W. Kosik. Gents 1st, Mrs. W. Mutzeneek; 2nd, Mr. G. Fuhr; consolation Mrs. J. Latchford. Everyone enjoyed themselves and a lovely lunch after the game was finished.

Please don't forget the Sportsmen's dinner on March 5th in the Jubilee Hall. Money from this will go to the Arena Fund.

Another car went into the lake the first of the week and the owner managed to get it out the next day. That ice is not to be trusted at this time of the year.

The Wabamun monthly raffle was won by Mr. W. Wichuk Sr. Anyone wishing to obtain tickets may contact Mrs. W. Stecyk at 646-2405.

At the United Church annual meeting which was held recently it was announced that the church basement has been completely paid for thanks to the help of the church women's group. Church attendence has been rather low but it is hoped that with the return to warmer weather and better roads more people will be out for the services which are held at 11:30 a.m. each Sunday.

The student minister, Mr. John Lea will continue taking services until June. The U.C.W. at their first meeting of 1971 under the new president, Mrs. R. Lent are planning on a St. Patrick's Day Tea on March 17th from 2 to 4 p.m. There will also be a bake sale and any baking donated to help make this a success will be much appreciated.

The U.C.W. meetings are held the 3rd Wednesday of each month in the basement of the church at 2 p.m. and visitors are especially welcome. Two of the U.C.W. members attended the Presbyterial U.C.W. annual meeting which was in the form of a "Live In" at the Grey Nun's center in Edmonton. They report that this was a most interesting and informative experience.

CARNWOOD NEWS

Congratulations from the Community to Mr. and Mrs. Charles Martin who were married at Pincher Creek on February 27th.

Visiting at the Shipton home over the weekend were Mr. and Mrs. Myron Miller of Calgary and Mrs. Joneson of Peace River.

Mr. and Mrs. Colin McKeag had the misfortune to lose their home and belongings recently.

Mr. and Mrs. Laurel Fenneman paid a visit at the home of Opal Ward.

Congratulations to Gerald Day, Mrs. Gwen Hook's brother who brought home a bronze medal from the Winter Games in Saskatchewan. We hear Laurie McCauley came fourth in Judo competition at the winter games.

A fair turn out to the Funnell Telephone meeting on February 23rd. Slate officers are: President Theo Westling; 1st Vice President John Kugyelka; Secretary-Treasurer, Ray G. Ellis; Directors, Tom Impey, Art Davies, Dale Manning and Jim Saunders.

Glad to hear little Charles Bowen is home after a week in Breton hospital.

Deepest sympathy from the community is extended to Mrs. Arthur Westling and family on their recent loss of husband, father, grandfather. Also to Mrs. Cecil Thopood and family on the loss of husband, father and grandfather.

Get well wishes go out to Bobby Maxwell who's down with the mumps. Get well wishes to Mrs. Frank Cox who is under the weather.

Legion and Auxiliary of Warburg #205 will meet on March 4th at 8:00 p.m. Guest speaker will be Kae Girling, District #4 Commander, and Hughie Greene Zone Commander. Legion Bingo will be held on March 6th in the Warburg Hall.

Glad to hear Mrs. Jim Holmgren is home from the hospital feeling much better.

The next Country Club meeting will be held at Irene and Gordon Gillespie's on March 8th.

BONSPIEL WINNERS

The McLean Well Servicing Trophy is presented to winners of the sixth event by Curling Club President Bruce Boles. From the left, are, D. Gates, R. Bentley, C. Atkinson and R. Gates.

Winners of the Visitors' Aggregate, the Bill Keely rink, receives the D.V. Ford-Mercury Trophy from John Bootsma. Rink members from the left, are, Bill Keely, Bob Hudson, Bill Brown, and Gordon Dombrosky.

Bert Telford presents the Northwestern Utilities Trophy to the Buckler rink, winners of the local Aggregate. Rink members from the left, are, Glen Buckler, Glen Hansen, Brian Hansen and Garry Hartman.

PANTHER PAW SNOWSHOES
BOX 52, THORSBY, ALBERTA

COUNTY OF PARKLAND No. 31
Stony Plain, Alberta

SNOWPLOWING POLICY

TAKE NOTICE that effective immediately, snowplowing of private driveways free of charge will be discontinued.

Snowplowing of private driveways and/or roads to feed supplies will be done when requested by a resident, where such resident has signed a form of Agreement and a charge for this service will be made at the rate of $12.00 per hour with a minimum charge of $5.00 for each snowplowing job done.

Agreement forms are available at the County Office, Public Works Department in Drayton Valley and from the two area foremen.

Secretary-Treasurer,
County of Parkland No. 31

MOON LAKE NEWS

Raymond and Diane Tufty and family motored to Sangudo to visit Debbie and Dan Burki this past weekend.

Miss Donna Woloszyn became the bride of Mr. Lanny Regamey of Wabamun on February 1st.

Jean Lang motored to Slave Lake last week with Mr. and Mrs. Jim Brown where they visited one evening with Mitch Lang who is employed at the Anchor Construction camp.

Mr. and Mrs. Bob Pashko of Spruce Grove visited with Mrs. Pashko's parents, Mr. and Mrs. Albert Schenk last Sunday.

Mr. and Mrs. Fred Cherrington were to Calgary for most of last week where they visited with their son, Les, daughter-in-law and family.

The first drilling rig this near to Moon Lake is Hi-Tower, who are drilling on the quarter south of J.C. Catts. The place is owned by Mr. Sam McGee who resides in Spruce Grove.

Sorry to hear that Mr. Joe Burki of Sangudo was rushed to the Mayerthorpe hospital last week after a heart attack. I understand he suffered another one in the hospital. We all hope you will soon be well again Joe. Mr. Burki lived in this community for many years and has recently moved to Sangudo.

WHO'S NEW

February 21 - Mrs. Les Kowalski (Gail), Cynthia, Girl 8 lbs. 3 ozs., 3720 grams.

February 24 - Mrs. Morley Haggerty (Beverly), Drayton Valley Girl, 3740 grams, 8 lbs. 4 ozs.

February 24 - Mrs. Rod McQuaig (Gayleen), Drayton Valley, Boy, 7 lbs. 5 ozs., 3330 grams

February 24 - Mrs. Donald Molyneux (Pauline), Buck Lake, Boy, 5 lbs. 0 ozs., 2270 grams

The winner of this weeks baby spoon is Mrs. Morley Haggerty with her daughter weighing 8 lbs. 4 ozs. She may pick up her spoon at:

LLOYD'S JEWELLERY
PHONE 542-3469
DRAYTON VALLEY, ALTA.

Sekura Auctions Market Report for Wednesday, February 24th.

On offer were 206 head of cattle, 83 hogs, 1 horse and 1 sheep.

Good stock steer calves 38.00 to 47.00 per cwt.

Good heifer calves 32.00 to 36.50 light ones higher.

Good feeder steers 33.00 to 37.00 per cwt.

Good feeder heifers 25.00 to 31.00 per cwt.

Good feeder cows 21.00 to 24.40 per cwt.

Good butcher cows 18.00 to 20.00 per cwt.

Good stock cows 250.00 to 287.50 per head.

Good weaner hogs 6.50 to 10.00 per head.

Good feeder hogs 10.00 to 18.75 per head for size offered.

Discipline is Panel Topic

Over one hundred people gathered in the Elementary School on Monday night to discuss the subject of child discipline with panelists Pastor Roger McClelland (psychologist); Const. Denis Grotkowsky (R.C.M.P.); Dr. David Belcher (parent) and Mr. Robert Elliott (teacher). Father Edward Lynch presented the Christian point of view.

The two main points arising were firstly that children learn personal discipline from the example of their parents, and secondly that there needs to be an improvement in communication between parent and teacher. It is hoped that similar meetings in the future will promote a closer understanding and sharing of problems.

The organisers wish to thank the panelists, and all the parents and teachers whose support made this such a stimulating evening.

Uniform Local Elects Officers

The regular monthly meeting of Uniform Local 54-19 will be held Wednesday, March 10th at 8:00 p.m. in the Council Chambers.

The officers for this year were elected at a recent meeting: W. Dusterhoft, president; Ed Hines, vice president; Mrs. F. Hoge, secretary-treasurer.

ATTENTION
VOLUNTEERS WANTED

The Drayton Valley W.I. is looking for volunteers to help supervise the New Women's Rest Room. Help is needed in the afternoons and Friday evenings. If willing to give any time at all to this project please call 542-2015 giving day and number of hours you can stay. No work is involved.

Also needed is Used Furniture -- such as chairs, tables, a crib and a play pen. Furniture may be taken to the farm of H. T. Deby or for pick up call 542-2015.

Lovingly remembered by his wife Ileen and family.

ANNOUNCEMENT

Mr. and Mrs. Marvin Grue of Drayton Valley are happy to announce the forthcoming marriage of their daughter, Theresa Joy to Mr. Jerry Busenius, son of Mr. and Mrs. Lawrence Busenius of Hay Lake, Alberta. Wedding to take place Friday, March 5th at 1:30 p.m. at the Drayton Valley Church of God.

Mr. and Mrs. Victor Van De Castle wish to announce the engagement and wedding of their only daughter, Trudy Ann, to James Andrew Jackson, only son of Patrick Jackson, all of Lindale, Alberta. Wedding to take place May 8, 1971 at 4:00 p.m. in St. Anthony Roman Catholic Church in Drayton Valley.

THANK YOU

THANK YOU - We would like to thank all our friends and relatives who honoured us with a party and lovely gifts on our 25th wedding anniversary on February 20. To those who provided the entertainment, thanks. Also a very special thank you to Mrs. Jean Gylander, Mrs. Yvonne Nobert and Mrs. Marjory Anderson who organized a very enjoyable evening that we will always treasure.

Mr. and Mrs. Tom Thomeus

We would like to thank all those who worked so hard to keep our housewarming party a surprize and thank you for the lovely gift.

Neil and Elsie Norton and family

We would like to thank Mr. H. Hamdon for the use of his store, those who donated to our bake sale and everyone who helped to make it a success.

C.W.L. MEETS

The C.W.L. met on Monday, March 1st with six members and five guests.

Mass was celebrated in the church followed by a short business meeting.

The ladies were reminded of the World Day of Prayer on Friday.

The next meeting and every other meeting on the first Monday of every month will be a supper meeting at the Cardium Room. This is open to any interested ladies in the parish. All members will receive a notice by mail a week before the meeting. Anyone else who would like to attend please phone Lil Hook at 542-3450 or Gil Hasenclever at 542-3589 so a place can be reserved for you.

Mrs. Georgianna McDavid

WHAT DO FAMILIES TALK ABOUT??

Communication is more than just saying words. The way we communicate is transmitted in what we say, the way we say it, and how we say it.

Mrs. Edna Clarke, Family Living Specialist for the Department of Agriculture has this to say about "family talk":

"In family conversation people have many ways of transmitting messages. Not only do words carry meaning, but tone and volume of voice, and facial expression all add to the impact of whatever we have to say. We also communicate by remaining aloof and silent, or by turning away from another person.

A family's day to day talk can pattern itself in detrimental ways. We can spend most of the time criticizing and finding fault with one another. Perhaps we choose to talk endlessly about things we want and cannot afford. Or do we concentrate on worries and problems with no positive, cheerful approach towards working things out? Some families converse in unrealistic terms of a rosy future when every dream will come true, every wish will be granted.

Whatever we do with our voice boxes determines the quality of home life. It is possible to give each family member a feeling of acceptance, of recognition and of personal worth. It is possible to share interests, to respect one another's ideas, and to encourage family members to make the most of whatever abilities each happens to have.

Communication involves the exchange of ideas. When one person does all the talking there is no communication. We have to listen to the other person at least half of the time.

Listening does three things:
1. It shows we care how the other person thinks and feels.
2. It helps us to understand why the other person says and does certain things.
3. It enables us to offer comment appropriate to the situation.

The Victorian adage "Children should be seen and not heard" should be discarded once and for all. It makes the blatherskite more determined to attract attention. It makes the withdrawn child socially incompetent as he grows older.

It is easy for a parent to lay down the law and make snap judgements about anything and everything. But it gives the child more opportunity to test his reasoning. Moreover he soon learns to censor that which he will discuss with his parents. He has had years to experience their response to every subject.

We can use expressions like, "What do you think?" "What happened?" If we want to open up the family communication network.

The quality of home life depends on how willing each of us is to listen. It takes practise."

Hosp. Auxiliary Regular Meeting

The regular meeting of the Hospital Auxiliary was held on February 18th in the nurses' residence.

It was reported that there will be a Blood Donor Clinic on April 21st in Drayton Valley.

A past president's pin was presented to Mrs. Doris Reid.

Mrs. Valerie Courtney presented Mrs. Ann Eustace, president, with a gavel that had been made by her husband.

The group is trying to form an associate membership to the Hospital Auxiliary for those who cannot attend meetings for one reason or another but would be willing to help the hospital in other ways, such as bake sales, rummage sales, canteen, knitting and other ways to raise money. The fee for associate membership would be 50¢ which would entitle the member to attend any meeting or special function of the Auxiliary as a non-voting member.

Any women interested please phone Ann Eustace at 542-3252 or Marlene Samis at 542-3176.

A special thanks to all the women volunteers and contributors to the Alberta Heart Foundation.

FOR MUSHROOM LOVERS

If you want to pick wild mushrooms for the dinner table, there's one basic rule you should always follow -- don't pick them unless you're sure they can be eaten. This is one of several hints to mushroom collectors in a Canada department of agriculture publication, "Mushroom Collecting for Beginners." It is available free of charge from the information division, Canada department of agriculture, Ottawa, Canada.
